

BIE Tribally Controlled Schools School Board Member Training Opportunity

School Board Training Facilitating Effective Meetings

In this one hour training, you will learn how to hold productive, fair and transparent meetings by understanding the importance of meeting structure. This training prepares your leadership team to identify effective ways to have productive and efficient School Board meetings. Some topics covered would be setting the agenda, meeting roles and responsibilities, hosting and conducting virtual and in-person meetings. Participants will also become acquainted with Robert's Rules of Order, including basic terms and motions.
