AMENDED RESOLUTION
NNBEMA-1042-2025

5. Following a directive from the Navajo Nation Board of Education, the Department may assume control of a school when problems arise that impede students' education and are considered beyond the school's capacity to resolve. 2 N.N.C. §1803 (H).

6. On February 20, 2025, a due process hearing notice was sent to the Dilcon Community School, Inc. (DCSI) and its designated school attorney, informing them that a hearing is being convened because the Department of Diné Education received official confirmation from the Navajo Election Administration that Dilcon Community School, Inc. (DCSI) lacks a quorum of governing board members. The lack of a quorum will significantly disrupt the school's operations, potentially jeopardize its financial, legal, and operational stability, and require immediate action by the Department of Diné Education and the Navajo Nation. The due process hearing was scheduled for Friday, March 7, 2025.

7. The Navajo Nation Board of Education received a letter from Dilcon Community School, Inc. (DCSI) dated February 24, 2025. The letter states that Dilcon Community School, Inc. (DCSI) waives its right to a due process hearing and permits the Department to assume control of the school and school board until a quorum can be reached. This letter is attached hereto as "EXHIBIT A."

8. The Navajo Nation Board of Education has determined that Dilcon Community School, Inc. (DCSI) has chosen to waive its right to a due process hearing and agrees to let the Department take control of the school. The Board believes that DCSI's decision best serves the interests of the school and its students.

NOW THEREFORE BE IT RESOLVED THAT:

A. The Board of Education determines that the notice for the due process hearing complies with the requirements of 10 N.N.C. §106(G)(1)(a), ECJY-11-08, and HEHSCAP-03-25. The Navajo Nation Board of Education approves the waiver submitted by Dilcon Community School, Inc. (DCSI) for a due process hearing.

B. The Navajo Nation Board of Education hereby directs the Superintendent of Schools to temporarily assume control of the Dilcon Community School, Inc. (DCSI) in accordance with 2 N.N.C. §1803(H), 10 N.N.C. §§ 106(G)(1)(a) and § 107(B)(8).

C. The Navajo Nation Board of Education orders the Department, through the Superintendent or their designee, to work and coordinate with the Dilcon Community School, Inc. (DCSI) school officials and remaining Dilcon Community School, Inc. (DCSI) governing board members to ensure that daily operations continue smoothly and that the decisions of the governing board and schools are carried out. The Navajo Nation Board of Education also orders that the Superintendent of Schools of the Department of Diné Education and/or their designee shall assume and exercise the full legal authority of the Dilcon Community School, Inc. (DCSI)

Re: Assumption of Control of Dilcon Community School

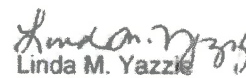

Dilcon Community School is waiving it's right for a "due process hearing" and allowing Department of Dine Education to appoint an individual to fill the position of a school board member until such a time a special election is held in which a Dilcon board member is elected and sworn in. Dilcon Community School understands that this individual will be assigned solely for the role of a Dilcon Community School board member.

Dilcon Community School does ask for clarification as to requirements of school board members, under Health, Education, Human Services Committee directives. Specifically regarding required background checks for anyone assigned to a school board. It is Dilcon Community School's understanding that any individual assigned would have to have a background check through Dilcon Community School. If any individual does not have a background check they must be with a staff member, escorted, at all times while at Dilcon Community School. Another option for meetings is to attend meetings via Zoom or by phone. Dilcon Community School requests that this issue be addressed in writing so Dilcon Community School is in compliance and can maintain a record of this correspondence.
